

Five Unexpected Uses For Finance

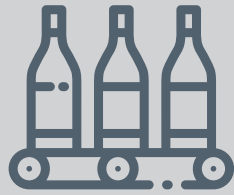

1 LIVESTOCK

Yes, Livestock! We have previously funded £4,000 worth of dairy cows! We've also funded agricultural and farming equipment such as tractors.

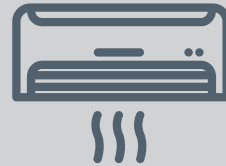

2 FOOD/DRINK PRODUCTION

We may have funded the production of the next doughnut, coffee or pack of popcorn that you enjoy!

3 HVAC

Whether you're turning up the heat or keeping your cool, we can fund heating, ventilation and air-conditioning for your business.

4 TAX BILLS

Many businesses are unaware that you can actually finance your tax bills.

5 OFFICE REFURBS

From ceilings, walls, windows and doors to lighting, furniture, fixtures, fittings and more!
